

NEOART

Association for encouraging, support and affirmation of fine art
in Macedonia

Our association was founded in 2013, with the primary goal of carrying out activities for enabling conditions, opportunities and assistance to citizens, to discover their creative potential, to develop and put to use in their own sphere of action.

Our activities

Increasing awareness of the importance of creativity and expression through fine art in the life of every person and of society.

Influence public awareness of adults about the importance of developing creativity in children from an early age

Providing conditions for education, creation and artistic expression of all children and young people according to their abilities and conditions in which they live.

Education cooperation and exchange of experiences with teachers, educators, students and parents.

Creating standards and qualities necessary for all institutions for training professional staff for the development of fine arts

Organization and implementation of measures and activities for greater implementation of creativity and fine art in all educational structures, independently and in collaboration with other relevant entities

Organizing and holding seminars and other forms of education for teachers and other professionals engaged in the pursuit of our business.

Opening of workshops to develop creativity and artistic abilities in children from 2 years to 18 years

Other activities related to our objectives and activities for the development of the creativity of the individual, the development of art as a whole and improve interpersonal and social relations.

Our projects

the art room

For children and young artists

Art classes, exhibitions, art camps, support and promotion of artistic creation

For all of 2-18 years old

Art classes in which every young artist can attend, to create and build their artwork with drawing, painting, modeling (sculpture), mixed media, digital art 2D and 3D

We organize 3 sessions per year, autumn session, winter session, spring session.

Summer art camps for children

Exhibitions of works of young artists

The Art Room Goals:

We believe that art is crucial to the development of young individuals that encourages them to develop skills which will only benefit in the future.

Our experience has shown that the creation of the artwork builds confidence in children, a sense of satisfaction and fulfillment.

Children who attend our classes think in terms of creating their own works.

We enable our students to acquire knowledge, skills, develop their creativity and build confidence.

Our program is tailored to modern educational standards.

We offer entry into the world of art, creation, presentation of their works.

We have individual approach to every student

Our goal is to create a positive awareness of young people in relation to the artworks and their own creativity.

We encourage students to develop its new potentials, encourage them to take initiative, to develop ideas in order to realize them.
